

OKLAHOMA STATE UNIVERSITY

At Oklahoma State University, opportunities stretch as far as the eye can see. Established in 1890, OSU has graduated more than 300,000 students to serve the state of Oklahoma, the nation and the world. With a commitment to academics, research, affordability and quality of life, your success is our top priority.

Being a Cowboy isn't in our clothes, it's in our character.

We're serving our communities and leading the way in aerospace, agriculture, health, business, education and more. From the moment you step on campus, you'll experience a big dose of Cowboy spirit in a community you'll be proud to call home. You'll find our alumni making an impact and OSU ties running as far and wide as they do deep.

For the college experience you've always dreamed of.

ORANGE IS THE ANSWER.

HOW DO YOU ADVANCE YOUR EDUCATION?

SET YOURSELF UP FOR FUTURE OPPORTUNITIES BEYOND YOUR DEGREE.

If you are motivated to succeed and ready to engage academically, we'll help you take the next step in your education.

OSU is a leading contributor to graduate and professional education in Oklahoma. We also offer the state's only veterinary medicine and osteopathic medicine doctoral degree programs.

No matter your major, you can take advantage of pre-veterinary, pre-law and pre-health advising to make sure you're prepared to meet your educational and professional goals. Some OSU programs can get you to your goal even quicker with early admission agreements. Your studies here will make you a competitive candidate for professional school.

Oklahoma State University (OSU) is committed to maintaining a learning environment that is free from discriminatory conduct based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. OSU does not discriminate on the basis of sex in its educational programs and activities. Examples of sexual misconduct and/or sex discrimination include: sexual violence, sexual harassment, sexual assault, domestic and intimate partner violence, stalking, or gender-based discrimination. OSU encourages any student who thinks that he or she may have been a victim of sexual misconduct or sexual discrimination to immediately report the incident to the Title IX Coordinator (campus contacts below). Students may also report incidents of sexual misconduct or sex discrimination to a faculty or staff member, who is then required by federal law (Title IX) to notify the Title IX or Deputy Title IX Coordinator. If a reporting student would like to keep the details confidential, the student may speak with staff in the Student Counseling Center (405-744-5472) or the University's Victim Advocate (405-564-2129). For more information regarding Title IX violations, please go to: <http://lis2many.okstate.edu>.
