FOR HIGH SCHOOL STUDENTS

## To be admitted as a concurrent student, **you must:**

- 1 Complete the online concurrent application.
- 2 Submit your official high school transcript reflecting unweighted GPA and class rank (if available).
- 3 Have your online approval submitted by your high school principal or counselor and a parent or guardian.
- 4 Pay the \$40 nonrefundable application fee (one time only) or submit a fee waiver.

*Applicants must be on pace to satisfy all 15 high school curricular graduation requirements, which include: 4 English, 3 Mathematics, 3 History and Citizenship, 3 Lab Science and 2 Elective units.*

### CONCURRENT ADMISSION REQUIREMENTS

- ▶ **24+ ACT/Pre-ACT or 1160+ SAT/Pre-SAT OR top 33.3% rank in high school graduating class with at least a 3.0 unweighted cumulative GPA**

*Students must have a 19 ACT/510 SAT or better in a subject area to take a concurrent course from that subject.*

- ▶ **Students have the option to apply to OSU without consideration of a test score.**

*Students who select this option on the application will be considered for admission based on a full review of their high school transcript. Class rank is not required for test optional admission. This option also applies to home school, private, parochial or other non-public high schools, which are not accredited by a recognized accrediting agency.*

Students must have completed enough high school coursework to be equivalent to an individual who is classified as a junior or senior at an accredited high school.

For students applying with a standardized test score, national ACT and SAT testing is preferred for concurrent student admission. One OSU residual ACT per year may be used for concurrent admission.

## WHY CONCURRENT AT OSU?

Take advantage of OSU's cost-saving options and experience college during your junior or senior year of high school as a concurrent student. You'll earn dual credit for your courses and get an early start toward your college degree, all while receiving support from both high school and college academic resources.

## ENROLLMENT TIMELINE

The Office of Undergraduate Admissions recommends you apply early to ensure the courses you want are available. Submit all of your documents at least three to five business days before you intend to enroll to allow our staff time to process your application and prepare your enrollment materials.

## CONTINUING CONCURRENT STUDENTS

As a concurrent student, you must submit a new online application and concurrent approval forms for each semester you want to attend. **Application fees, transcripts and test scores do not need to be resubmitted.**

## OSU AFTER HIGH SCHOOL GRADUATION

If you're interested in attending OSU beyond high school graduation, you must complete the entire freshman application for admission/scholarships and attend an orientation and enrollment session. Please pay particular attention to the scholarship deadlines. **You're not required to submit a new application fee** if you haven't attended another institution between concurrent enrollment and applying to become a full-time student at OSU, but you must submit an up-to-date high school transcript.
