Oklahoma State University (OSU) is committed to maintaining a learning environment that is free from discriminatory conduct based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. OSU does not discriminate on the basis of sex in its educational programs and activities. Examples of sexual misconduct and/or sex discrimination include: sexual violence, sexual harassment, sexual assault, domestic and intimate partner violence, stalking, or gender-based discrimination. OSU encourages any student who thinks that he or she may have been a victim of sexual misconduct or sexual discrimination to immediately report the incident to the Title IX Coordinator (campus contacts below). Students may also report incidents of sexual misconduct or sex discrimination to a faculty or staff member, who is then required by federal law (Title IX) to notify the Title IX or Deputy Title IX Coordinator. If a reporting student would like to keep the details confidential, the student may speak with staff in the Student Counseling Center (605-744-5472) or the University's Victim Advocate (605-744-5472). For more information regarding Title IX violations, please go to: <http://is2many.okstate.edu>. Ways to be Admitted

COMPREHENSIVE REVIEW

At Oklahoma State University, **ALL STUDENTS** are encouraged to apply because we individually review each application for our holistic and alternative admission programs. We consider many factors, including high school GPA, ACT or SAT scores, responses to application essays, academic letters of recommendation, leadership experience, community involvement and accomplishments.

**OSU will accept the official superscore provided by ACT for both admission and scholarship consideration.*

TEST OPTIONAL

Students have the option to apply to OSU without consideration of a test score. Students who select this option on the application will be considered for admission based on a full review of their high school transcript. Class rank is not required for test optional admission. This also applies to home school, private, parochial or other non-public high schools that are not accredited by a recognized accrediting agency.

Currently, consideration for most university scholarships requires an official test score from ACT or SAT, and we encourage students to provide us their test scores as soon as they are available for complete scholarship consideration.

ASSURED ADMISSION

Students qualify for assured admission if they meet **ONE** of the following criteria:

- 3.0 unweighted cumulative GPA or higher **AND** top 33.3% rank in high school graduating class, **OR**
- 3.0 GPA or better in 15-unit core **AND** 21 ACT*/1060 SAT or higher, **OR**
- 24 ACT*/1160 SAT or higher.
