

Credit *by* Exam

This brochure is intended to provide specific information on the various ways students can receive college credit by exam at Oklahoma State University. OSU welcomes students from a wide variety of backgrounds and learning experiences. Many students come to us with extensive experience in many of the disciplines we teach. Students generally acquire this knowledge through accelerated coursework during high school, military training or in the world of work.

We recognize and honor prior learning by accepting a number of examinations, which measure a student's mastery of college-level course content in a wide range of subjects. Students achieving the credit-granting minimum scores indicated will earn the equivalent course(s) listed. OSU charges no tuition or fees for credit earned through examination. The only expense to the student is the actual cost of the exam.

Academic Regulations

The academic regulations pertaining to credit by exam listed below apply to all options listed in this brochure.

- Credit earned by examination will be recorded on a student's OSU transcript with a neutral grade of "CBE-P" (Pass) if the student earns the equivalent of a "C" or better on the examination. No grade is recorded if the student fails the exam.
- Credit earned by examination does not count toward the minimum of 30 hours that must be earned in residence.
- A native speaker of a foreign language (one whose high school level instruction was conducted principally in that language) cannot earn credit toward graduation in lower-division (1000-2000 level) courses in that language.

NOTE: The recommendations for credit by exam listed in this brochure are subject to change. OSU is not responsible for changes made by test publishers regarding scoring or test availability. For the most up-to-date information, check okla.st/creditbyexam.

For a complete list of course names and descriptions, visit okla.st/coursecatalog.

Advanced Placement Program (AP)

OSU grants credit for acceptable scores in the College Board's Advanced Placement Program (AP) as indicated below. This allows students to take examinations for college-level credit while still in high school. Students should contact their school counselor to obtain assistance with testing arrangements.

Questions concerning the Advanced Placement (AP) program should be directed to: AP Services, P.O. Box 6671, Princeton, NJ 08541-6671, call toll-free 1-888-225-5427 or visit its website at collegeboard.org/ap.

OSU Advanced Standing Examinations

Academic departments on campus at OSU may offer advanced standing examinations in subject areas not offered by CLEP or AP. Any currently enrolled student whose travel, employment, extensive readings or educational experience appear to have given the student proficiency in a subject that is offered at OSU, equivalent to the proficiency ordinarily expected of those students who take the subject in a regular class, may apply for an examination on the subject. Information and application forms pertaining to departmental examinations may be obtained from the Office of Undergraduate Admissions, 219 Student Union. In addition to the academic regulations listed at the beginning of this brochure, to qualify for an advanced standing examination a student must:

- Be enrolled at OSU.
- Not have taken an advanced standing exam over the course within the preceding six months.
- Receive the approval of the head of the department and the associate dean of the college in which the course is offered.
- Present a valid student I.D. at time of examination.

Military Credit

OSU awards credit as recommended by the American Council on Education (ACE), as published in “The Guide to the Evaluation of Military Experiences in the Armed Services,” for selected educational experiences provided by the armed forces.

- Students who wish to establish credit for military training should request and submit a JST (Joint Services Transcript) and/or a DSST (DANTES Subject Standardized Tests Transcript) to the Office of Undergraduate Admissions for evaluation.
- Course Completion Certificates may be used to supplement other records or when service schools are not reflected on the DD-214 or 295.
- An official Joint Services Transcript (JST), which replaced the AARTS, SMARTS and CGI transcripts, is available for all enlisted, officers and warranted officers, both active and veterans from all Army components, Coast Guard, Marine Corps and Navy. Transcripts may be requested at jst.doded.mil.
- OSU also accepts credits earned through the DANTES Subject Standardized tests for active military personnel. Transcripts may be ordered from Prometric, ATTN: DSST/CLEP Transcripts, 7941 Corporate Drive, Nottingham, MD 21236. 877-471-9860 (toll-free).

Training Programs/Extra-Institutional Learning

OSU awards credit as recommended by the American Council on Education (ACE) in “The National Guide to Educational Credit for Training Programs.” Students may present certificates of completion or a transcript from the ACE Registry of Credit Recommendations to the Office of Undergraduate Admissions for evaluation. Registry transcripts can be requested at acenet.edu/national-guide.

OSU also awards credit based on the recommendation of the Board of Regents of The University of the State of New York’s National College Credit Recommendation Service (CCRS).

Oklahoma State University (OSU) is committed to maintaining a learning environment that is free from discriminatory conduct based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. OSU does not discriminate on the basis of sex in its educational programs and activities. Examples of sexual misconduct and/or sex discrimination include: sexual violence, sexual harassment, sexual assault, domestic and intimate partner violence, stalking, or gender-based discrimination. OSU encourages any student who thinks that he or she may have been a victim of sexual misconduct or sexual discrimination to immediately report the incident to the Title IX Coordinator (campus contacts below). Students may also report incidents of sexual misconduct or sex discrimination to a faculty or staff member, who is then required by federal law (Title IX) to notify the Title IX or Deputy Title IX Coordinator. If a reporting student would like to keep the details confidential, the student may speak with staff in the Student Counseling Center (405-744-5472) or the University’s Victim Advocate (405-564-2129). For more information regarding Title IX violations, please go to: <http://its2many.okstate.edu>.
