More bang for your

OKLAHOMA'S PROMISE BUCK!

CHOOSE OSU!

Here are three great reasons why:

#1 Your full tuition is paid by Oklahoma's Promise. Take advantage of the resources available to you at OSU, Oklahoma's premier land-grant university. If you are eligible for an OSU assured scholarship, you will receive **BOTH** the scholarship AND your Oklahoma's Promise cash award*, which means you can use your Oklahoma's Promise funds to pay for other educational expenses.

#2 We provide an additional \$1,000 scholarship called **Cowboy Covenant** to Oklahoma's Promise students who demonstrate financial need through the FAFSA.

#3 OSU is a top-tier research university with a global reputation. With more than 250 majors and options, you'll be able to find what interests you and stand on the shoulders of thousands of worldwide alumni as you launch your career.

* Combined awards may not exceed the student's cost of attendance for the term.
