

CONCURRENT ADMISSION

FOR HIGH SCHOOL STUDENTS

To be admitted as a concurrent student, **you must:**

- 1 Complete the online concurrent application.
- 2 Submit your official high school transcript reflecting unweighted GPA and class rank (if available).
- 3 Have your online approval submitted by your high school principal or counselor and a parent or guardian.
- 4 Pay the \$40 nonrefundable application fee (one time only) or submit a fee waiver.

Applicants must be on pace to satisfy all 15 high school curricular graduation requirements, which include: 4 English, 3 Mathematics, 3 History & Citizenship, 3 Lab Science and 2 Elective units.

CONCURRENT ADMISSION REQUIREMENTS

- ▶ 24+ ACT/Pre-ACT or 1160+ SAT/Pre-SAT **OR** top 33.3% rank in high school graduating class with at least a 3.0 unweighted cumulative GPA

Students must have a 19 ACT/510 SAT or better in a subject area to take a concurrent course from that subject.

- ▶ Beginning in summer 2022, students have the option to apply to OSU without consideration of a test score.

Students who select this option on the application will be considered for admission based on a full review of their high school transcript. Class rank is not required for test optional admission. This option also applies to home school, private, parochial, or other non-public high schools which are not accredited by a recognized accrediting agency.

Students must have completed enough high school coursework to be equivalent to an individual who is classified as a junior or senior at an accredited high school.

For students applying with a standardized test score, national ACT and SAT testing is preferred for concurrent student admission. One OSU residual ACT per year may be used for concurrent admission.

OSU AFTER HIGH SCHOOL GRADUATION:

If you are interested in attending OSU beyond high school graduation, you are required to complete the entire freshman application for admission/scholarships and attend an orientation and enrollment session. Please pay particular attention to the scholarship deadlines. **You are not required to submit a new application fee** if you have not attended another institution between concurrent enrollment and applying to become a full-time student at OSU, but you must submit an up-to-date high school transcript.

CONCURRENT ENROLLMENT

OSU now offers a variety of options to take your concurrent class.

Cowboy Concurrent Online: Concurrent courses are offered online to give students across the state and beyond access to concurrent enrollment.

Eligible Oklahoma seniors receive a tuition waiver from the state and a scholarship from the OSU Foundation to cover fees.

Oklahoma juniors receive a reduced rate of \$775 per course. Out-of-state students will pay \$300 per credit hour, or \$900 for a 3-credit hour course.

The reduced rates apply to the Cowboy Concurrent Online courses only and are based on availability. Some courses require textbooks and exam proctoring, which comes at additional costs to the student. For more information, visit concurrent.okstate.edu.

On the OSU Stillwater Campus: Immerse yourself in the college experience by enrolling in a course located on our main campus.

OSU in your school: OSU has departments that will send instructors to teach a college course right in your high school, and build it around your existing schedule. There is a 15 student minimum, and school districts are welcome to act as a host site for students from other schools.

Courses at Stillwater High School: Stillwater High School allows students from the surrounding districts to participate in its concurrent courses taught by OSU on the SHS campus.
