# WHY OSU?

## WE'VE GOT THREE GREAT REASONS.

**#1** **Your full tuition is paid by Oklahoma's Promise at any public state university you choose.** Take advantage of the resources available to you at OSU, Oklahoma's flagship land-grant university. If you're eligible for an OSU tuition waiver, you will receive **BOTH** the waiver **AND** your Oklahoma's Promise cash award\*, which means you can use your Oklahoma's Promise funds to pay for other expenses.

**#2** We provide an **additional \$1,000** scholarship called **Cowboy Covenant** to Oklahoma's Promise students who are fully admitted to OSU and demonstrate financial need through the FAFSA.

**#3** **OSU is a top-tier research university** with a global reputation. An OSU degree allows you to stand on the shoulders of thousands of worldwide alumni as you launch your career. With more than 200 majors, you can find what interests you.

\* Combined awards may not exceed the student's cost of attendance for the term.
