Ways to be Admitted

COMPREHENSIVE REVIEW

At Oklahoma State University, **ALL STUDENTS** are encouraged to apply because we individually review each application for our holistic and alternative admission programs. We consider many factors, including high school GPA, ACT or SAT scores, application essay response, academic letters of recommendation, leadership experience, community involvement and accomplishments.

OSU will accept the official superscore provided by ACT for both admission and scholarship consideration.

Some majors may have additional requirements, visit okla.st/program-admission for more information.

OSU uses the highest cumulative GPA (weighted or unweighted based on a 4.0 scale) indicated on a student's official high school transcript for admission and scholarship purposes. GPAs not using a 4.0 scale will be converted to a 4.0 scale.

15-Unit Core Curricular Requirements: 4 units of English (Grammar, Composition and Literature); 3 units of Mathematics (Algebra I, Geometry, Algebra II and above); 3 units of History and Citizenship Skills (Must include 1 unit of American History and 2 units from the subjects of History, Economics, Geography, Government, Civics and/or Non-Western Culture); 3 units lab science (Biology, Chemistry, Physical Sciences, Physics or any lab science certified by school district) and 2 units of other courses selected from any of the sections above or Computer Science or Foreign Language.

ASSURED ADMISSION

Students qualify for assured admission if they meet **ONE** of the following criteria:

- 3.0 cumulative GPA or higher **AND** top 33.3% rank in high school graduating class, **OR**
- 3.0 GPA or better in 15-unit core **AND** 21 ACT/1060 SAT or higher, **OR**
- 24 ACT/1160 SAT or higher.

TEST OPTIONAL

Students have the option to apply to OSU without consideration of a test score. Students who select this option on the application will be considered for admission based on a full review of their high school transcript. Class rank is not required for test optional admission. This also applies to home school, private, parochial or other non-public high schools that are not accredited by a recognized accrediting agency.

Currently, consideration for most university scholarships requires an official test score from ACT or SAT, and we encourage students to provide us their test scores as soon as they are available for maximum scholarship consideration.
