OKLAHOMA STATE UNIVERSITY

### PRE-LAW | PRE-VET PRE-HEALTH

Pre-professional requirements can be met regardless of major. Many majors offer specific degree options designed to prepare students for a future in veterinary, medical and law careers. Explore our pre-professional options at [okla.st/pre-options](http://okla.st/pre-options).

Oklahoma State University (OSU) is committed to maintaining a learning environment that is free from discriminatory conduct based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. OSU does not discriminate on the basis of sex in its educational programs and activities. Examples of sexual misconduct and/or sex discrimination include: sexual violence, sexual harassment, sexual assault, domestic and intimate partner violence, stalking, or gender-based discrimination. OSU encourages any student who thinks that he or she may have been a victim of sexual misconduct or sexual discrimination to immediately report the incident to the Title IX Coordinator (campus contact below). Students may also report incidents of sexual misconduct or sex discrimination to a faculty or staff member, who is then required by federal law (Title IX) to notify the Title IX or Deputy Title IX Coordinator. If a reporting student would like to keep the details confidential, the student may speak with staff in the Student Counseling Center (405-744-5473) or the University's Victim Advocate (405-564-2129).
