**Students can indicate if they have been unable to take an ACT or SAT test due to COVID-19 on their application for admission. Students can apply with only a high school transcript and may be considered for admission by exception for the fall and spring 2021 semesters. Students are required to submit all available and future test scores. Students who apply without a test score need to submit essays and fill out the leadership resume as part of their completed application for admission. OSU does not consider the essay component of the ACT/SAT for admission criteria listed above.*
