CREATE YOUR O-KEY ACCOUNT

okey.okstate.edu
405-744-4357

Your O-Key account is your passport to campus. You have to set it up before you can access your OSU email account, accept your scholarships and financial aid, sign up for housing, enroll in classes and more, so it's important to do this as soon as possible. To set it up, go to okey.okstate.edu and click on O-Key Activation.

To use your O-Key, you'll also have to set up multifactor authentication using Duo Security. For help setting up your account, visit it.okstate.edu or contact the IT Help Desk at helpdesk@okstate.edu or 405-744-4357.

For your security, your O-Key password will expire every 120 days. If you're locked out of your account, select the "Forgot your Password" link on the login page.

CHECK YOUR OSU EMAIL REGULARLY

cowboymail.okstate.edu

Once your O-Key is set up, you can access your OSU email account. OSU will send scholarship and financial aid award letters, housing assignments and enrollment dates to this email.

Check it at least once a week to stay informed. You can access your OSU email through your cellphone or forward it to an existing account. Visit **admissions.okstate.edu/email** for more information, or contact the IT Help Desk at 405-744-4357.

Some financial aid awards are made on a first-come, first-served basis, so it's important to complete the FAFSA as soon as possible.

You may be asked to submit additional documents by OSU's Office of Scholarships and Financial Aid to complete the process. Requests will be sent to your OSU email. If you receive a request for additional documents, it's important to respond quickly so your potential student aid isn't affected.
