## Ways to be Admitted

**Test Optional Admission and Comprehensive Review**
Admissions are encouraged to apply because we individually review each application for our holistic and comprehensive admission decisions. Students are not required to submit SAT or ACT scores. Students who apply without a test score, but who are not admitted, may request test scores on a filed basis. Students who rank in the top 33.3% of their high school graduating class each year will automatically receive a one-year cash award funded by the state. These scholars receive an additional $1,000 per year cash award funded by the state, which is available to OSU students in the academic year. The first step is applying for admission. At Oklahoma State, we’re committed to helping qualified students get admitted to OSU to earn their college degrees.

**Assured Admission**
Students qualify for assured admission if they meet one of the following criteria:

- 3.0 unweighted cumulative GPA or higher and top 33.3% in the high school graduating class, OR
- 3.0 GPA or better in 15-unit core curriculum and 21 ACT/1060 SAT or higher, OR
- 27 ACT or 1260 SAT score and a strong record of leadership as evidenced by your essay, community involvement and accomplishments.

**Admissions documents required:**
1. Completed application which also serves as the scholarship application
2. $40 nonrefundable application fee or fee waiver
3. Official high school transcript containing unweighted GPA and class rank (if available)
4. Official ACT or SAT test scores
