pick your squares, please see  
Dr. Cammack or Stephenie Noble  
in Room 127 NRC

FERGUSON COLLEGE OF AGRICULTURE

SPECIAL THANKS  
TO OUR SPONSORS:

# HOW TO PLAY FOOTBALL SQUARES:

Join in on the fundraising fun by purchasing a square (or squares) at the rate listed on the top of the sheet (\$2, \$5, or \$10).

Pick any empty square(s) you want!

Once you pick your square(s):

1. Sign your name in them
2. Locate Stephenie, Robin, or Jonathan in Room 127 of NRC to pay for your squares
3. Write your name and contact information on the clipboard corresponding to the square(s) you purchased, so we know how to contact you if you win

On the afternoon of November 22<sup>nd</sup>, when squares are no longer available for purchase, we will randomly assign numbers across the top (0-9) in orange for OSU and the left side (0-9) in red for Texas Tech, of the football squares grid. At the end of each quarter, the score of the game will determine who wins a prize. For example, if at the end of the first quarter, the score is OSU: 14, Texas Tech: 0, the person whose name occupies the square where orange 4 and red 0 intersect, wins! If the score at the end of the second quarter is OSU: 14, Texas Tech: 7, the person whose name occupies the square where orange 4 and red 7 intersect, wins!

Football Squares is a completely random game.

All funds generated go to the OSU United Way of Payne County Fundraising Campaign.

## **Square Bundles:**

**\$20:** One \$10 square, One \$5 square, Three \$2 squares! (A \$21 value!)

**\$30:** Two \$10 squares, Two \$5 squares, One \$2 square! (A \$32 value!)

**\$40:** Two \$10 squares, Three \$5 squares, Four \$2 squares! (A \$43 value!)
