A student who is not enrolled in a degree program may be eligible for Federal Direct Loans for a period of only one year, i.e., twelve consecutive months, if the student is taking coursework in an eligible program offered at OSU which is a prerequisite for admission to a different program.

Academic Certification (to be completed by the student's academic advisor):

The student listed above is enrolled in ___ hours for the ___ semester of the 2022-2023 academic year. The student is required to satisfactorily complete the course(s) listed below to be considered for admission into the ___ program.

Will the credit hours taken count toward the degree program for which the student is seeking admission?

[] Yes [] No

If the answer is "yes", the student is not eligible for federal financial aid. If a student is only taking the course(s) "to raise his [or her] GPA in order to be admitted, [the student] would not qualify for loans" as a pre-requisite student (Federal Student Handbook 2019-2020 Vol.1, Student Eligibility Chapter 6).
