A student who is not enrolled in a degree program may be eligible for Federal Direct Loans for a period of only one year, i.e., twelve consecutive months, if the student is taking coursework in an eligible program offered at OSU which is a prerequisite for admission to a different program.

Academic Certification (to be completed by the student's academic advisor):

The student listed above is enrolled in ___ hours for the ___ semester of the 2024-2025 academic year. The student is required to satisfactorily complete the course(s) listed below to be considered for admission into the ___ program.

Will the credit hours taken count toward the degree program for which the student is seeking admission?

Yes No

If the answer is "yes", the student is not eligible for federal financial aid. If a student is only taking the course(s) "to raise his [or her] GPA in order to be admitted, [the student] would not qualify for loans" as a pre-requisite student (Federal Student Handbook 2023-2024 Vol.1, Student Eligibility).

I anticipate that the student will be admitted to the degree program _____.
