Students who need additional financial assistance due to flight laboratory expenses because they are required for their degree and Professional Pilot option, may submit this form for consideration. These additional costs may only be evaluated for the semester in which the student is enrolled and participating in the flight laboratory. Only one increase per specific flight laboratory may be processed, no matter the number of times the course is attempted. **If any flight laboratory course from a previous term has an incomplete status, the incomplete flight laboratory must be completed before this increase can be processed.**
