Definitions:

- **Net Worth:** the current value, as of today, of businesses and/or investment farms, minus debts related to those same businesses and/or investment farms. When calculating net worth, use 0 for investments or properties with a negative value.

Include the following:

- Businesses and investment farms include businesses (including a small or family-run business) owned by you that have more than 100 full-time (or full-time equivalent) employees, along with the fair market value of real estate owned by the business. They also include income-producing farms that you own, including the fair market value of land, buildings, livestock, unharvested crops, and machinery actively used in farming, agricultural, or commercial activities.

Do not include the following:

- Businesses and investment farms do not include businesses with 100 or fewer full-time (or full-time equivalent) employees; the value of a family farm on which the family resides; the value of crops that are grown solely for consumption by the student and their family; a commercial fishing business and related expenses, including fishing vessels and permits owned and controlled by the family; or the home in which you live.
