Graduate Student Resources Form***Please Use Black or Blue Ink***OSU Student ID**

To ensure we make the most accurate award possible, we need to know if you will receive any tuition waiver assistance for the award year. Your eligibility for federal assistance is based in part on your cost of education and other sources of financial assistance you will receive. Any change to these factors after your original award has been made may cause an adjustment to your eligibility and/or require repayment of some or all federal funds you received for which you were not eligible.

Please answer the following questions to let us know if you have been offered/awarded any tuition waiver assistance as a graduate student. If you are unsure if you are receiving a tuition waiver, contact the Graduate College. **You do not need to list anticipated earnings from a graduate assistantship.** If the information you indicate changes after you submit this form, you should immediately notify the Office of Scholarships and Financial Aid by completing a new form. **You will not receive federal aid awards until we receive the following information.**

This form is for **Graduate students** only. If you are an undergraduate, veterinary medicine, or physician assistant student, you should complete the "Other Resources" section on the "Offer" tab of the Financial Aid Dashboard on your Self-Service portal.

Cash Scholarships/Non-OSU Award(s):

If you will receive awards from agencies/organizations other than Oklahoma State University, please go to the "Other Resources" portion at the bottom of the "Offer" tab of the Financial Aid section in my.okstate.edu. You only need to complete the "Other Resources" section of the page if you are reporting awards; you do not need to enter zero.

I understand that these awards may result in adjustments to any previously awarded financial aid, and that I will be notified of any changes by email. I must also review aid information on my Financial Aid Dashboard in the Self-Service portal. I understand this email will be sent to my 'okstate.edu' email address. It is my responsibility to check my 'okstate.edu' email or forward email sent to that account to an alternate email address (if you have not yet been admitted to OSU, email will be sent to the address you listed on your application for admission/scholarship or Free Application for Federal Student Aid until you have been admitted and are assigned an 'okstate.edu' email address).
