Contest Dates

A giveaway winner from the pool of entrants will be randomly selected for the months of March, April and May of 2025. The university reserves the right to discontinue this giveaway at any time with no required notice to the participants.

Notification of Winners

A random drawing winner will be notified each month the giveaway is active. The winner will receive an email with instructions for next steps by 5 p.m. on the last weekday of the month before the month they are scheduled to have access to the parking spot. If the winner does not respond within two (2) days, the winner will be disqualified and a new winner will be drawn. Winners of the drawing can opt out of the prize and a new random winner will be selected. While their name may have been selected, access to the spot is contingent on the winner being fully eligible for the giveaway. Eligibility is subject to verification after the initial notification.

Parking Spot Considerations

Once a winner is randomly selected, notified and confirmed eligible, they will receive access to the parking spot for the following month after their notification.

- Example: A student notified on February 28, 2025 will receive access to the parking spot from March 1-March 31, 2025.

Access to the parking spot is not immediate. Winners must communicate necessary information via email after initial notification. Winners must obey all traffic laws and follow [OSU's Parking Rules and Regulations](#). Parking spot access is non-transferable and can not be sold or traded. Only one vehicle is granted access during the allotted time frame.

Winners are not required to purchase a permit to use this space, but must register their vehicle to their Parking Account with Parking Services at parking.okstate.edu. Failure to register the vehicle with Parking Services could result in the vehicle being cited and/or towed.

Winners are only allowed to use the President's designated space. Parking outside of this space will be subject to Parking Services rules and permit requirements.

As a condition of participation, students agree to waive any and all claims against Oklahoma State University and its affiliates, including but not limited to any claims related to damage as a result of use, or non-use, of the parking spot and agree to indemnify and hold harmless Oklahoma State University and its affiliates from any claims or expenses that arise as a result of use of the parking spot. Oklahoma State University reserves the right to revoke access to the parking spot or change the Park Like A President contest rules at any time.
