Spring

OSU Requirement	✓
SPCH 4763 – Organizational Communication	✓
CPS 4213 – Data Driven Decision Making	✓
9 hours general elective*	✓
Semester Credit Hours at OSU: 15	

Master of Science in Environmental Science Management Professional Science Master (PSM)

A non-thesis, industry-focused degree recognized by the [Commission on Affiliation of PSM Programs](#) (PSM National Office). All PSM students are required to enroll in:

- ENVR 5303 Issues in Sustainability
- ENVR 5123 Environmental Problem Analysis
- ENVR 5510 Environmental Management Internship
- Natural or Physical Science (24 hours)

Graduate students in the Environmental Management PSM complete 33 credit hours which include 9 hours of required core courses, approved science electives, and an internship that requires spending 240 hours with a company or organization approved by their committee. In lieu of a thesis, the student completes an internship. This experience equips students with practical, hands-on experience for their careers.

***If admitted early, applicants can complete the 4+1 program with Organizational Leadership and the PSM in Environmental Science Management allowing students to count up to 9 hours toward both the bachelor’s and master’s degrees.**
